SEW IN CLASS AND AT HOME

This is a "Home Based Full Garment Construction Course" and requires ongoing access to an industrial straight sewing machine outside of class hours.

While in class enjoy structured tutorials with industry experienced tutors who will show you the "tricks of the trade". Your tutor will also set practical sessions that you complete in the comfort of your own home, or if you prefer, in our classroom outside of tuition hours (by arrangement).

Should you require an industrial straight sewing machine one is available on lease (12 months) from Walker-Howley (NZ) Ltd. This lease cost can be built into your course fees if required. You may also source and purchase direct from any other supplier.
